HOW EVERY TEST IS DESIGNED

QUALITY | RELEVANCE | EXAM FOCUS

TNPSC GROUP I PRELIMINARY EXAMINATION

Every test in this series is carefully curated to match the TNPSC standard and exam pattern.

01.

TNPSC STANDARD QUESTIONS

Questions are framed strictly as per TNPSC syllabus, content scope and difficulty level.

02.

STATEMENT-BASED QUESTIONS

Includes assertion-reason, match the following, correct statements, incorrect statements and more.

03.

PYQ TREND QUESTIONS

Important questions and frequently asked topics from previous years are integrated.

04.

ANALYTICAL QUESTIONS

Higher order thinking based questions to test concept clarity and application ability.

05.

CURRENT AFFAIRS INTEGRATION

Relevant current affairs are integrated with static portions for better understanding and retention.

06.

ELIMINATION TECHNIQUE QUESTIONS

Options are designed to encourage smart elimination and increase accuracy in the actual exam.
